

PROJECT NAME: North Trunk Sanitary Sewer Improvements
PROJECT No: 2008-077-39
DATE: March 25, 2010
CLARIFICATION ISSUED BY:
Duane K. Barrick City of Woodburn – Project Manager
REPORT NO.:

Three (3)

QUESTIONS:

1. Can Hazelnut Rd. be closed to through traffic for the open trench work?

CLARIFICATION:

1. Contractor may apply for a road closure permit from the Engineering Division of Public Works. Road closure will be approved for limited durations only during workday hours as necessary to complete the work specified. The Contractor shall be required to steel plate over the open trench overnight and on weekends to allow normal traffic flow.
